1992-1998	**Director, Maternal Child Health Training Program, the University of Chicago.**
1989-1991	**Project Director, AIDS Prevention in Adolescents Project, Washington University in St. Louis (funded by the National Institute of Mental Health).**
1990-1991	**Field Instructor, George Warren Brown School of Social Work, Washington University in St. Louis.**
1989-1991	**Teaching Fellow, George Warren Brown School of Social Work, Washington University in St. Louis; Adjunct Assistant Professor, School of Social Work, University of Missouri-Columbia.**
1989	**Teaching Assistant, George Warren Brown School of Social Work, Washington University in St. Louis.**
1988-1991	**Research Associate, Department of Neurology, University of Missouri Health Sciences Center, Columbia, Missouri.**

1987-1988 **Field Instructor, School of Social Work, University of Missouri-Columbia.**

1985-1988 **Coordinator, Epilepsy, Alzheimer's, and Mental Retardation Programs, Department of Neurology, University of Missouri Health Sciences Center, Columbia, Missouri.**

1984-1988 **Coordinator, Parkinson's Disease Information and Referral Service, University of Missouri Health Sciences Center, Columbia, Missouri**

1984-1985 **Social Worker, Rehabilitation Unit, Deaconess Hospital, St. Louis.**

1982-1984 **Social Worker, Rusk Rehabilitation Center and the Departments of Neurology, Child Health, and Obstetrics and Gynecology, University of Missouri Hospital and Clinics, Columbia, Missouri.**

1981-1982 **Program Evaluator, City of Columbia, Missouri.**

1981-1988 **Social Worker, Department of Child Health, University of Missouri Hospital and Clinics, Columbia, Missouri (M.S.W. field placement).**

1976-1977 **Instructor, Department of Anthropology, Universidad Nacional Major de San Marcos, Lima, Peru.**

COURSES TAUGHT

Maternal and Child Health Research Seminar, 1996-1997
Social Work Interventions in Health Care Settings, 1994-1995
Social Intervention: Direct Practice, 1992-1993, 2002-2003
Social Intervention: Research and Evaluation, 1992-1993, 1995-1997, 1998-2001, 2004-2005, 2007-2008
Social Work Issues in Health Care, 1992-1997, 2002-2004
Advanced Clinical Research, 1992-1994, 1999-2000
Treatment Evaluation, 1992
Clinical Research and Evaluation, 1990-1991
Analysis of Practice, 1989-1991
Health Policies and Programs: Physical Health, 1989
Health Promotion Economics (team taught across disciplines), 2005-2006
Dissertation Proposal Seminar, 2006-2007, 2008-2009
Cross-Cutting Themes in Public Health, 2009-2011
Principles of Clinical Intervention in Health, 2011-2013
Medical Terminology and Medical Communication, 2014-2016
Social Work Practice and Services in Health Care, 2014-2017

ADVISORY COMMITTEES AND OTHER PROFESSIONAL ACTIVITIES

2024-present **International Juror, #ConnectingMinds Programme, Wissenschaftsfonds (the Austrian Science Fund). June panels in Vienna, Austria.**

2022-2024 **Member, Scientific Advisory Panel. California Initiative to Prevent Breast Cancer in Immigrants (CIPBCI) Project.**

2022-present **Professional Advisory Board, Epilepsy Alliance America.**

2022-present **Co-Chair/Council, TheoryLab collaborative grant review, American Cancer Society.**

2021-2023 **Member, White House Health Equity Leaders Roundtable.**

2021- **Research referee and consultant, Kuwait University.**

2021-2022 **Member, Executive Committee, Deans of the University of Southern California.**

2021-2022 **Member, Advisory Board, CalSWEC (California Social Work Education Center).**

2021-2022 **Member, Governing Board, University Clinical Services, University of Southern California.**

2021-present **Member, Professional Advisory Committee, Epilepsy Alliance America.**

2021-present **Member, International Advisory Board, *Journal of Patient-Reported Outcomes* (official journal of the International Society of Quality-of-Life Research).**

2020-2021 **Academic Consultant, Social Science College, Kuwait University, January 30, 2020 to February 18, 2021.**

2020-2022 **Member, Advisory Board, Southern California Healthcare Delivery Science Center.**

2020-2022 **Member, Internal Advisory Board, Southern California Clinical and Translational Science Institute (CTSA).**

2018-2023 **Member, Steering Committee, California Breast Cancer Research Program.**

2021-2022 **Past President, American Academy of Social Work and Social Welfare.**

2017-2021 **President, American Association of Social Work and Social Welfare.**

2017-2021 **Steering Committee, Grand Challenges for Social Work.**

2017-2021 **Member, Social Work Leadership Roundtable.**

2016-present **Member, Council for Extramural Grants, American Cancer Society, Atlanta.**

2016-present **Member, Editorial Board, *Encyclopedia of Social Work*.**

2016-2022 **Member, Steering Committee, California Breast Cancer Research Program.**

2015-2017 **Member, Expert Panel for the OBSSR Strategic Plan, Office of Behavioral and Social Science Research, Office of the Director, National Institutes of Health,**

Bethesda, Maryland.

2015-2020 **External Advisory Board, RoBUST (Researchers of Biobehavioral Health in Urban Settings Today) Program, Wayne State University, Detroit, Michigan.**

2015-2017 **Member, Advisory Committee, Human Research Protections Office, Washington University.**

2015 **Chair, Quadrennial Review, Social and Behavioral Research Branch, National Human Genome Research Institute, National Institutes of Health.**

2015-2017 **Member, Expert panel (Paradigm II Project) to develop multi-level model breast cancer risk, (UCSF, Robert Hiatt, Principal Investigator). Funded by the California Breast Cancer Research Program.**

2012-2014 **Member, Board of Directors, American Academy of Social Work and Social Welfare (Chair Nomination and Election Committee, 2013 and 2014).**

2014-present **Secretary [2014-2017] and Executive Committee member, Board of Directors, American Academy of Social Work and Social Welfare.**

1980-1981 **Title XX Stipend, School of Social Work, University of Missouri-Columbia**

1977 **Ford Foundation Grant for support of investigations of Inca demography, Lima, Peru (Principal Investigator)**

HONORS

2018 **Insley-Evans Award, Public Health Social Worker of the Year, the American Public Health Association.**

2016 **Presenter selected to represent the National Cancer Institute at the Inaugural National Institutes of Health Behavioral and Social Sciences Research Festival, Bethesda MD, December 2, 2016, "Transdisciplinary Research and Translating Obesity Research to Practice."**

2015 **Helen Rehr Memorial Lecturer, Mt. Sinai Hospital, New York**

2014	**Rock Doc, Siteman Comprehensive Cancer Center, Washington University (one of three oncology professionals honored)**
2014	**Basarab Nicolescu Transdisciplinary Science & Engineering Award, Academy of Transdisciplinary Learning and Advanced Studies (presented in Taichung, Taiwan)**
2013	**Fellow, Society for Social Work & Research**
2013	**Distinguished Faculty Award, the George Warren Brown School of Social Work, Washington University**
2012	**Fellow, the Academy of Transdisciplinary Learning & Advanced Studies**
2010	**Fellow, American Academy of Social Work and Social Welfare**
2009	**Richard Lodge Prize, Adelphi University**
2007	**University-Wide Faculty/Alumni Award, University of Missouri**
2007	**Distinguished Service Award, College of Human Environmental Sciences, University of Missouri-Columbia**
2007	**You've Made a Difference Award, Youth Unshackled Ministries, Chicago, Illinois**
1999	**Excellence in Caring Award, International Society for Social Work and Epilepsy**
1985	**Outstanding Achievement Award, American Parkinson's Disease Association**

SELECTED INVITED PRESENTATIONS

2026	**Keynote speaker, 2nd Annual Social Work and Genetics Conference, Seattle Children's Hospital, July 24, 2026, "Social Work and Genetics: Using Wisdom from the Past to Inform the Future."**
2024	**Keynote speaker, 5to Congreso Internacional de Investigation Transdisciplinar en Ciencias Humanas, Cuernavaca, Mexico, May 22, 2024, "Transdisciplinarity: Between Theory and Practice."**
2022	**Keynote speaker, Quickstart! Community Research Program, California Breast Cancer Research Program, August 12, 2022, "The Role of Social Factors in Cancer Disparities."**
2022	**Keynote speaker, Sylvester Cancer Center, University of Miami, Florida, October 29, 2022, "Transdisciplinarity Approaches to Cancer Research and Care."**
2022	**Speaker, *Closing the Care Gap*, 2022 California Coalition for Cancer Equity (C3E) Health Justice Summit, June 21, 2022, "Technology as a Social Determinant of Health."**
2022	**Panelist, *See Her Soar*, 2022 Civic Leadership Forum, Junior League of Los**

Angeles, March 5, 2022, "Educate, Inspire, Transform."

2021 **Speaker, Housing Insecurity Among Patients with Cancer, National Policy Forum, National Academies of Science, Engineering, and Medicine, August 29, 2021, "Integrating Social Needs into the Delivery of Cancer Care."**

2021 **Panelist, 2021 Group on Diversity and Inclusion & Health Workforce Research Joint Conference, American Association of Medical Colleges, May 7, 2021, "Creating Community-Wide Community Engagement to Promote Health Equity: Using Internal and External Advisory Boards to Develop a Campus-Wide Community."**

2020 **Panelist, virtual forum series *Advancing Racial Equity*, National Association of Social Work, October 29, 2020, "The Way Forward: Be a Part of the Solution."**

2019 **Speaker, dissemination meeting on the report *Guiding Cancer Control: A Path to Transformation*. National Academies of Science, Engineering, and Medicine, Washington, DC, November 12, 2019, "Education and Skills for Advancing a Life Course Approach to Cancer Control."**

2019 **Keynote speaker, Tercer Congreso Internacional de Investigación Transdisciplinar en Ciencia Humanas, Centro de Investigación Transdisciplinar en Psicología, Universidad Autnoma del Estado de Morelos, Cuernavaca, Mexico, May 23, 2019, "Using Transdisciplinary Science to Translate Research into Solutions" (plus faculty workshop, May 24, 2019).**

2019 **Presidential speaker representing the Molecular Epidemiology Section, American Association for Cancer Research Annual Meeting, Atlanta, GA, April 1, 2019, "Developing Transdisciplinary Relationships in Population Studies: The Whole is Greater than the Sum of the Parts."**

2018 **Moderator, Invited Presidential Session, "Health Equity NOW," American Public Health Association Annual Meeting, San Diego, CA, November 13, 2018.**

2018 **Speaker, Moffitt Cancer Center, Tampa, FL, April 12, 2018, "Working on Transdisciplinary Teams in Cancer Research."**

2018 **Keynote speaker, Integrated Health Interprofessional Education, University of Michigan, Ann Arbor, MI, March 20, 2018, "Understanding Epigenetics: When the Environment Gets Under the Skin."**

2017 **Faculty and provocateur, National Cancer Institute and Cancer Research U.K., Knowledge Integration Sandpit, April 24 and 25, 2017, Potomac, MD, "Developing a Mental Model."**

2017 **Discussant, American Society of Preventive Oncology (ASPO) Annual Meeting, "The TREC Initiative: Building Transdisciplinary Science with Animals, Biology and Public Health," March 12, 2017, Seattle, WA, "The Whole is Greater than the Sum of the Parts: Lessons Learned from TREC."**

2017 **Keynote speaker, "The Future of Informed Consent in Research and Translational**

Medicine: A Century of Law, Ethics & Innovation," March 9, 2017, Minneapolis, MN. "Frontiers Issues in Seeking Informed Consent in Engaged and Community-Based Participatory Research."

2017 **Presenter, Racial and Ethnic Disparities in Surgical Approach to Hysterectomy for Benign Gynecologic Conditions, Society for Medical Decision Making, October 24, 2017, Pittsburgh, PA (postdoctoral fellow Lisa Pollack won the Lee B. Lusted Student Prize for her contribution).**

2016 **Invited speaker representing the National Cancer Institute, NIH Inaugural Behavioral and Social Sciences Research Festival, December 2, 2016, Bethesda, MD, "Toward a Modern Science of Obesity at Washington University: How We Do it and What is the Payoff?"**

2016 **Speaker, Genomics and Medicine Series, CRISPR-Cas9 Bioethics Roundtable Discussion, November 16, 2016, Washington University, "Effects of Gene Editing on Society."**

2016 **Moderator, National Institute for Minority Health and Health Disparities/National Human Genome Institute, "Use of Race and Ethnicity in Genomic and Biomedical Research," October 24 and 25, 2016, Rockville, Maryland, "What is the Appropriate Use of SIRE and Genetic Ancestry Markers in Minority Health Research and Health Disparities Research?"**

2016 **Lecturer, National Cancer Institute Cancer Prevention Fellowship Program's Cancer Prevention and Control Colloquium Series, May 31, 2016, Rockville, MD, "The Effect of Social Influences on African-American Breast Cancer Patients."**

2016 **Keynote speaker, Quick Start Program, California Breast Cancer Research Program, April, 2016, San Francisco, "Social Influences on Breast Cancer."**

2016 **Invited debate speaker, TREC Annual Scientific Meeting, April, 2016, "Debate on the Potential of the Precision Medicine Initiative to Reduce the Nation's Health Disparities: A "Grey Skies" Perspective," NIH, Washington DC.**

2016 **Faculty, Preconference Course: Precision Behavioral Medicine in Cancer: Personalization Across the Cancer Care Continuum, Society of Behavioral Medicine: 37th Annual Meeting, March, 2016, Washington DC.**

2016 **Keynote speaker, Annual Meeting, California Breast Cancer Research Program, March, 2016, San Francisco, "Dissecting Breast Cancer Causation."**

2016 **Guest speaker, Breast Cancer Disparities Course, Department of Medicine, University of Chicago, March, 2016, "Effect of Social Influences on African-American Breast Cancer Patients."**

2015 **Invited speaker and moderator, AACR Conference: Science of Cancer Health Disparities in Racial/Ethnic Minorities, November, 2015, Atlanta, "Forum of Precision Medicine: Unique Opportunities and Challenges for Cancer Disparities Research."**

2015 **Helen Rehr Memorial Speaker, Mt. Sinai Hospital, New York, November, 2015, "Maximizing the Social Work Role in Health Care Reform: Getting from Here to There."**

2015 **Keynote speaker, International Transdisciplinary Conference 2015/9th Annual European Congress on Tropical Medicine and International Health, Basel, "Transdisciplinary Research and Scientific Discovery: Lessons Learned from the US Transdisciplinary Research Initiatives in Cancer" and Moderator, "Health, Sustainability, and Transdisciplinarity."**

2015 **Expert panelist, August 2015, Academy of Science, An Evening with the Experts: DNA, Personalized Medicine, and You! St. Louis, "Liberty and Justice for All? Precision Medicine Initiatives Impact and Health Disparities."**

2015 **Invited speaker, July 2015, National Institutes of Health, Advisory Committee to the Director (ACD), Precision Medicine Initiative Working Group Meeting, Bethesda, "Inclusion and Engagement Goals Related to Health Equity."**

2015 **Keynote speaker, July 2015, Shanghai International Medical (Health) Social Work Conference, Shanghai, China, "Social Work in Health Care: Adapting to Social Change Over Time."**

2105 **Closing panelist, June 2015, National Institutes of Health, Science of Team Science (SciTS) 2015 Conference, Bethesda, "The Future of Team Science: Setting a Course for Future SciTS Research and Practice."**

2015 **Invited speaker, May 2015, Annual Retreat, Breast Cancer Research Program, Siteman Cancer Center, Washington University, St. Louis, "A Multi-Level Model of Breast Cancer Disparities in St. Louis."**

2015 **NCI-sponsored invited speaker, April 2015, Annual Meeting of the American Association of Cancer Research, Philadelphia, "Resources for Achieving Truly Transdisciplinary Science: Current Models for NCI-Funded Initiatives"**

2015 **Invited special session speaker (with S. Conzen and M. McClintock), March 2015, Annual Meeting of the American Psychosomatic Society, Savannah, "Transdisciplinary Approaches to Targeting Health Disparities: Linking Upstream Determinants to Downstream Interventions"**

2014 **Opening keynote speaker, November 2014, Annual Extended Environmental Exposures Conference, Breast Cancer and the Environment Research Program (NIEHS, NCI, & Avon Foundation), San Francisco, "Capturing the Complexity of Breast Cancer." Panel member, "Future Directions in Breast Cancer and the Environment"**

2014 **Invited presenter, December 2014, Annual Grantees' Meeting, National Center for Minority Health and Health Disparities (NIMHD/NIH), National Harbor, MD, "Collaboration Models in Addressing Health Disparities"**

2014 **Invited presenter, November 2014, American Academy of Cancer Research Seventh Annual Conference on Cancer Health Disparities in Racial/Ethnic**

Minorities and the Medically Underserved, San Antonio, TX, "Integrated Multilevel Interventions to Address the African American and White Disparity in Breast Cancer Mortality: A Tale of Two Cities"

2014 **Invited presenter, July 2014, Roundtable in Grand Challenges and Science in Social Work, Islandwood, WA. "Social Work and Science"**

2014 **Keynote presenter, July 2014, Training in Community-Based Participatory Research, California Breast Cancer Research Program, Oakland, CA, "The Role of Social Factors in Breast Cancer"**

2014 **Breakout Session Lead Speaker, February 2014, Social Work and the Affordable Care Act: Maximizing the Profession's Impact on Health Reform, Chicago, Illinois, "Widening the Lens to Include Prevention in the Mainstream of Health Social Work."**

2014 **Keynote speaker, January 2014, Israeli Ministry of Health, Jerusalem, Israel, "Social Work in Health care: Adapting to Societal Change over Time."**

2013 **Keynote speaker, September 2013, American College of Epidemiology, Louisville, Kentucky, "The Future of Team Science."**

2013 **Keynote speaker, June 2013, Pathways to Client-Centered Care, the 7th International Conference on Social Work in Health and Mental Health, Los Angeles, California, "Social Work in Client-Centered Care: Adapting to Social Change over Time."**

2013 **Keynote speaker, May 2013, Convegno Internazionale Sanità a Multiculturalismo, The European Union, Palermo, Italy, "The Interaction of Societal Factors and Disease: African-American Women and Breast Cancer in Chicago."**

2013 **Keynote speaker, May 2013, From Research to Action: Two Decades of Change, California Breast Cancer Research Program, University of California Office of the President, and the University of California Irvine School of Medicine, Costa Mesa, California, "Social and Cultural Factors in Breast Cancer Risk."**

2013 **Invited speaker, April 2013, Translational Science 2013, Society of Clinical and Translational Science, Washington DC, "Challenges and Benefits of Current Transdisciplinary Initiatives."**

2013 **Edna L. Fritz Lecturer, April 2013, The Ohio State University, "Breast Cancer and Social Interactions: Identifying Multiple Environments that Regulate Gene Expression."**

2013 **Invited speaker, March 2013, American Society for Preventive Oncology, Memphis, "What's Next? The Value of the Transdisciplinary Approach to Solving Current And Future Problems in Cancer Control Research."**

2012 **Invited speaker, October 2012, American Public Health Association Annual Meeting, San Francisco, "The Role of the Social Environment in Cancer Risk."**

2012 **Speaker, November 2012, 2012 Health Disparities Summit: The Science of Eliminating Health Disparities, National Harbor, Maryland, "Design, Evaluation and Policy Implications of Multilevel Interventions to Address Health Disparities in Community-based Studies."**

2012 **Keynote speaker, September 2012, Robert Wood Johnson Foundation Center for Health Policy at the University of New Mexico, Advancing Equity: (Re-) Emerging Perspectives on Health and Health Policy, "The Role of Social Factors in Breast Cancer."**

2012 **Keynote Speaker, the Academy of Transdisciplinary Learning and Advanced Studies, June 2012, Taichung, Taiwan, "Shaping Education and Training to Advance Transdisciplinary Health Research."**

2011 **Expert Panelist and Speaker, CDC's Division of Cancer Prevention and Control, August 2011, Atlanta, GA, Identifying Opportunities for Cancer Prevention during Preadolescence and Adolescence Workshop.**

2011 **Speaker, Community-Engaged Research: Exploring the Unique Community-Academic Research Relationship, September 2011, sponsored by the Office of Human Research Protections National Community Research Forum, St. Louis, MO, "Essential Elements of Design: Partnerships, Funding, and Evaluation."**

2011 **Keynote speaker, NCI Center to Reduce Health Disparities, Cancer Health Disparities Program Meetings, July 2011, Rockville, MD, "Defining Community in Community-Based Participatory Research."**

2011 **Panelist, Rural Health Journalism Workshop, Association of Healthcare Journalists, June 2011, St. Louis, MO, Panel Title: "What Drives Rural Health issues? Looking for the Answers."**

2011 **Speaker, Health Equity Symposium, Novartis Institutes for BioMedical Research, May 2011, Boston, MA, "A Trandisciplinary Approach to Addressing Health Disparities."**

2011 **Speaker, Master of Science in Clinical Investigation (MSCI) Career Development Seminar – Washington University School of Medicine, St. Louis, MO, "Translation in Health Disparities Research."**

2011 Speaker, Center for Clinical Research Ethics of the Institute for Clinical and Translational Sciences and the Human Research Protection Office, 2011 Ethics Series, Washington University in St. Louis, MO, "Community Engagement in Genomics Research."

2011 **Keynote speaker, Puerto Rico Clinical and Translational Research Consortium. Translational Science to Reducing Health Disparities, San Juan, Puerto Rico, "Translational Science to Reduce Health Disparities."**

2010 **Keynote speaker, GenoCommunity: Think Tank: First National Meeting (convened by the Prevention Research Centers, CDC Office of Public Genomics, and National Human Genome Research Institute), St. Louis, MO.**

2010 **Session Chairperson and Speaker, Team Science and Transdisciplinarity in Cancer Prevention Research within and Across Institutions. American Academy of Cancer Research, Ninth Annual International Conference on Frontiers in Prevention Research, Philadelphia, PA.**

2010 **Speaker, Grand Rounds, Institute on Multicultural Health, Henry Ford Health, Detroit, MI.**

2010 **Speaker, Grand Rounds, Department of Biostatistics and Research Epidemiology, Henry Ford Health System, Detroit, MI, "Breast Cancer and Social Interactions: Identifying Multiple Environments that Regulate Gene Expressions"**

2010 **Speaker, Grand Rounds, Division of Cancer Prevention and Control, Moffitt Cancer Center, Tampa, FL, "A Transdisciplinary Approach to Addressing Breast Cancer Disparities."**

2010 **Keynote speaker, Yonsei University, Seoul, Korea, 125th Anniversary.**

2010 **Invited speaker, Race in America: Restructuring Inequality, University of Pittsburgh, Pittsburgh, PA.**

2010 **Keynote speaker, Midwest Consortium (CTSA), Rural Health and Health Disparities Research in the Heartland, Kansas City, KS.**

2010 **Speaker, National DNA Day-Breast Cancer Symposium, Genomics, Disparities, and Prevention, The Genome Center at Washington University, St. Louis, MO.**

2010 **Panelist, Developing Ethics Standards for Community-Engaged Research, Clinical and Translational Research and Education Meeting, Association Clinical Research Training/Society for Clinical and Translational Science Annual Meeting, Washington, DC.**

2010 **Keynote speaker, Investigating Social Determinants of Health, University of Illinois at Urbana-Champaign, IL.**

2009 **Keynote speaker, Transdisciplinary Cancer Research, Dana-Farber Cancer Center retreat, Harvard University, Boston, MA.**

2009 **Speaker, Office of Behavioral and Social Science Research, Office of Behavioral and Social Science Research (OBSSR) Lecture Series, National Institutes of Health, Bethesda, MD.**

2009 **Keynote speaker, Staff Training in Extramural Program (STEP), The Nuts-and-Bolts of Community Engagement, Office of the Director, National Institutes of Health, Bethesda, MD.**

2009 **Speaker, U.S. Department of Health and Human Services Secretary's Advisory Committee on Genetics, Health, and Society, Washington, DC.**

2009 **Speaker, Annual Meeting, American Indian Physicians of America, Alexandria, VA.**

2009 **Speaker, "Breast Cancer and Social Interactions: Identifying Multiple Environments that Regulate Gene Expression," National Cancer Advisory Board, the National Institutes of Health, Bethesda, MD.**

2009 **Speaker, Grand Rounds, Department of Psychiatry and Behavioral Sciences, Memorial Sloan-Kettering Cancer Center, New York, NY.**

2009 **Speaker, "A New Paradigm for Understanding Excess Cancer Risk in Underserved and Minority Populations: The Centers for Population Health and Health Disparities Experience," Annual Meeting of the American Association for Cancer Research.**

2009 **Panelist, Getting Closer to the Clinic: PhDs in Translational Research, Annual Meeting, American Association for the Advancement of Science (AAAS), Chicago, IL.**

2009 **Speaker, The Role of Social Experience in the Health of African Americans, Annual Meeting of the American Association for Affirmative Action, Chicago, IL.**

2009 **Speaker, From Cells to Society: Transdisciplinary Approaches to Addressing Cancer Health, Annual Meeting of the American Society of Preventive Oncology, Tampa, FL.**

2009 **Keynote Speaker, the Ohio State University Comprehensive Cancer Center Annual Scientific Meeting, Columbus, OH.**

2008 **Speaker, NIH Summit: The Science of Eliminating Health Disparities, National Harbor, MD.**

2008 **Moderator, Understanding the Role of Genomics in Health Disparities: Toward a New Research Agenda, National Human Genome Research Institute, National Institutes of Health, College Park, MD.**

2008 **Speaker (Best Practices), Building Institutional Infrastructure to Conduct Health Disparities Research, Eunice Kennedy Shriver National Institute of Child Health and Development, Washington, DC.**

2008 **Beals Ferguson Lecturer, University of Washington, Seattle, WA.**

2008 **Speaker, Racial/Ethnic Disparities in Breast Cancer, Society for Epidemiological Research, Chicago, IL.**

2008 **Speaker, Chicago Convenes, the University of Chicago, IL.**

2008 **Speaker, Cells to Society, Overcoming Health Disparities, NIH, Bethesda, MD.**

2007 **Session Chairperson and Speaker, First American Association for Cancer Research Conference, the Science of Cancer Health Disparities in Racial/Ethnic Minorities and the Medically Underserved, Atlanta, GA.**

2007 **Kickoff Speaker, Breast Cancer and the Environment Research Centers'**

Integration Meeting, Practicing Transdisciplinary Science, Washington, DC.

2007 **Speaker, the Ohio State University Comprehensive Cancer Center, Columbus, OH.**

2007 **Grand Rounds, Social and Behavioral Medicine, Mount Sinai School of Medicine, New York, NY.**

2006 **Inaugural Lillian Wachtel Memorial Lecture, Children's Memorial Hospital, Chicago, IL.**

2006 **Presentation representing exemplary research funded by the National Institute for Environmental Health Sciences, Office of Behavioral and Social Science Research (NIH) 10th Anniversary, Bethesda, MD.**

2005 **Keynote Speaker, Annual Meeting, Group for the Advancement of Doctoral Education, Tuscaloosa, AL.**

2005 **Speaker, Health Care Disparities in Minority Communities in Chicago, U.S. Commission on Civil Rights, Chicago, IL.**

2005 **Speaker, Women's Board, University of Chicago Cancer Research Foundation, Chicago, IL.**

2004 **Speaker, Grantsmanship Day, the University of Missouri-Columbia, Columbia, MO.**

2004 **Speaker, Chicago Convenes, the University of Chicago, Chicago, IL.**

2004 **Speaker, New Trends in the Management of Breast and Cervical Cancer, Medical Women's Association of Nigeria, Lagos, Nigeria.**

2003 **Speaker, the Health Services Research and Seminar Series, Northwestern University, Chicago, IL.**

2003 **Speaker, Faculty Workshop on Medicine and the Social Sciences, the University of Chicago, Chicago, IL.**

2000 **Speaker, 75th Anniversary of the George Warren Brown School of Social Work, Washington University in St. Louis, St. Louis, MO.**

1999 **Speaker, 1999 Georgia Epilepsy Symposium: Life Between the Seizures, Atlanta, GA.**

1996 **Respondent, "Exploring the Development of Social Work Practice in the Early Twentieth Century," School of Social Service Administration, the University of Chicago, IL.**

1995 **Panelist, "Innovations in Social Work Practice," 70th Anniversary of the George Warren Brown School of Social Work, Washington University, St. Louis, MO.**

1995 **Faculty, Annual Meeting of the Society for Social Work Administrators in Health**

Care (American Hospital Association), Philadelphia, PA.

1994 **Keynote speaker, European Congress of Epileptology, Oporto, Portugal.**
